8<sup>th</sup> July 2021

Dear Students, Parents and Carers,

### **RE: Results Day and Sixth Form Enrolment**

I am writing to you to outline the plans for Year 11 Results Day and Sixth Form Enrolment. We recognise that this year's Year 11 cohort has faced more challenges than most, however we are so proud of the resilience they have demonstrated during this period.

#### **GCSE Results Day**

We look forward to welcoming all Year 11 students back to collect their results on **Thursday 12<sup>th</sup> August 2020** from **8.30am**. We will be staggering result collection times alphabetically (please see the table below). We will only be admitting students onto the school premises to collect their results; unfortunately, we are not able to permit parents on site.

In order to enable a smooth collection of results, students should arrive promptly at their given timeslot. They will enter the school building through the main reception and collect their results from the hall. If students are enrolling at THS Sixth Form, please see the information below. Students will exit the school building via the rear playground/car park. Should students wish to open their result with their friends, or meet with them to celebrate, they can congregate in the rear playground.

**Please do not arrive earlier than the allocated time** as it will help us in keeping everyone safe. In the event that you miss your time slot, we will only be able to permit you on site to collect your results when the number of students on site is appropriate to allow more students in.

<b>Alphabetical by surname</b>	<b>Arrival time</b>
Surname A – E	Arrive by 8.30am
Surname F – K	Arrive by 9.00am
Surname L – P	Arrive by 9.30am
Surname Q – U	Arrive by 10.00am
Surname V – Z	Arrive by 10.30am

**If you are unable to attend to collect your results in person**, you will be able to request a nominee to collect the results on your behalf. Your nominee will need to have a letter with written and signed authorisation by you to collect the results. Nominees will be permitted to collect your results after 11.30am. Alternatively, you can phone the school office to request your results after 11.30am, otherwise the results will be posted to you later that day.

#### **A-Level Politics**

Results will be shared via a phone call on **Tuesday 10<sup>th</sup> August**, between the hours of 10am - 11am. If this will not be convenient for you, please let us know so we can make alternative arrangements.

#### **Careers Advice**

If you seek further careers advice and guidance on the day, staff will be available for all of our students to discuss options available to you.

### **Appeals**

Please see the accompanying letter to this email, outlining the appeals process.

### **Next Steps:**

#### **THS Sixth Form Enrolment**

Enrolment for internal applicants **will commence immediately** after you have collected your results. **Enrolment will take place in G1** with a member of the Leadership Team or Sixth Form Team.

Very shortly we will send through enrolment packs and Sixth Form information to students that have accepted a place. You are advised to read through the documents prior to enrolling to ensure you are fully informed about THS Sixth Form, allowing the enrolment process on the day to be as efficient as possible, so that you have more time to celebrate your achievements with friends and family. Copies of the enrolment documents will be available on the day if you have not read them or you decide on the day to enrol at THS Sixth Form. In addition, please bring with you £20 which contributes to the Sixth Form Social budget.

Following enrolment, do take a look at the transition tasks for the subjects that you have enrolled in on the THS Sixth Form website. Some tasks will be compulsory for completion for the first teaching week of term and will aid the move from GCSE into A Level.

#### **Destinations**

Before you leave the school premises, two members of staff will be situated in the rear playground collecting destinations data. Please make sure you visit them and notify them of your intended next steps of your education or apprenticeship.

Should you have any items belonging to school, such as textbooks or any uniform items that you wish to donate to the school, there will be big boxes in reception and the hall where you can deposit them.

If you have any further questions regarding any of the plans above, please contact Mrs Curtis for clarification.

We look forward to seeing you all on **Thursday 12<sup>th</sup> August**. Until then, have a wonderful summer break.

Yours sincerely,

**Mrs C Curtis**

**Assistant Headteacher**
