

# HEADTEACHER'S UPDATE

# A Message from Mr O'Sullivan

"Reading is essential for those who seek to rise above the ordinary. It is how we discover new worlds, imagine the impossible, and bring our dreams to life."

Reading allows us to create mental imagery. In a world where media dominates, books give our brain the chance to create. Below are two extracts from my favourite novel, *The Day of the Triffids* by John Wyndham. As you read them, I'd like you to picture the scene in your head:

#### Passage 1

When a day that you happen to know is Wednesday starts off by sounding like Sunday, there is something seriously wrong somewhere. I felt that from the moment I woke, and yet I lay for a full minute or two more before I even opened my eyes. It wasn't that I could hear nothing; rather the contrary. I could hear too much. I could hear the sounds of movement, the movement of things that ought to be quiet. I could hear the rustle of leaves, the creak of wood, the flutter

of birds' wings, the distant hum of traffic—all the small, familiar noises that make uр the background life. But there was no sound voices, no clatter of dishes, none of the everyday

sounds of human activity. The world had gone strangely silent.

#### Passage 2

I heard the sting whistle as it slashed out at me—but there was no knockout, no agonising burning, even. One's mind can move like lightning at such a moment; nevertheless, it was more instinct than reason which sent me leaping at it before it had time to strike again. I collided with it, overturning it, and even as I went down with it my hands were on the upper part of the stem, trying to pull off the cup and the sting. Triffid stems do not snap—but they can be mangled.

On the back page of today's newsletter, you'll find two images that were generated by AI in response to these two passages; I'm quite certain that what your mind is able to produce will outshine what the computer managed. It serves as a reminder that whilst technology is important, words and books cannot be replaced.

"I have always imagined that Paradise will be a kind of library."

Happy World Book Day.

# **Lost Property**

We have a large collection of unnamed winter coats, water bottles and umbrellas in the school office. If you believe any of these might be yours, please ask your child to come to check and collect during the lunch time break. All lost property will be donated to charity at the end of the Spring term if it remains unclaimed.

# World Book Day

This week, we celebrated World Book Day with various activities. Teachers all read to students from a book they've enjoyed on Thursday morning, which was wonderful. Students had the opportunity to enter some competitions to win sweets and prizes. We also tasked students with 'finding Dumbledore' among the staff body, and they were rewarded with sweets if they found him. We have also encouraged students to enter our competition for the best book review - first prize is an Amazon voucher. Details are on Bromcom.

Students were given a book token which they can exchange for this year's £1 books, or use for £1 off a book of their choice. We'd encourage you and students to visit a local bookstore such as Parade's End in Ham or The Alligator's Mouth in Richmond, to enjoy browsing their selections and hearing their recommendations.

The following books are World Book Day's £1 books for secondary school students. The first four are suitable for all ages, and the last one is suitable for teen readers.

This Story is a Lie

#### Show Show Show tickets!

Tickets for Bugsy Malone are now open to the whole school community on ParentPay.

The show takes place on 1st, 2nd and 3rd April at 7pm with doors to our very own speakeasy opening at 6:15pm for drinks and pre-show entertainment. We look forward to seeing some of you there to support our 120 strong cast, band and crew!

# Why attendance matters

We aim for every student's attendance to be at 96% or above!

If your child has a minor illness and no immediate appointments at your GP surgery, there is a free NHS service where you can get access to healthcare advice at your local pharmacy. Please click on the link below for more details:

https://www.england.nhs.uk/primary-care/pharmacy/pharmacy-services/pharmacy-first/

# Year 13 Drama

Congratulations to Y13 A-Level Drama students who sat their final practical exam on Wednesday in front of a visiting examiner.

Most of the class chose the performance route and performed a monologue and a group piece each. Joel chose the design route and designed the lighting for 2 of the pieces. Amelia and Katie have both had offers to study drama at university, while the rest will be using their drama skills on courses such as primary teaching, film production, art direction and fashion marketing. We are very proud of you all!

Thanks to Toby in Y10 who came along to their dress rehearsal to take photos.

Pizza and Reading Event: Episode 2

On Thursday 6th March, students, parents and carers of some Year 7 and 8 students attended our second pizza and reading event. The evening began with two fascinating presentations, delivered by inspirational Year 10 & 11 Reading Ambassadors, before discussions about the books and reading more generally. I thoroughly enjoyed hearing about students' reading habits (and challenges!), preferences and engagement with the Sparx platform. Thank you very much to all involved!

# World Book Day

A small group of pupils helped Mrs Hicks make a nostalgic children's book character quiz for World Book Day. Behind each window is a book character and pupils who could correctly identify everyone got a prize.

# Craft Club

Last week in Craft Club we made keyrings and magnets using shrink plastic. Students were amazed at how much the designs shrunk! Some students also made geometric sticker mosaics. This week, we have been making yarn art inspired by classic books, including Dr Seuss' Green Eggs and Ham!

# Careers Fair 2025

As it's National Careers Week this week, please click onto the link below to access an interactive pack and lots of useful information.

### Turing House Friends Comedy Night 2025

# Get ready to laugh your socks off at our Comedy Night on Friday, March 14th!

The hilarity kicks off at 8pm, but doors open at 7pm for food and drinks, so arrive early to snag the best seats.

We've got a fantastic line-up of comedians guaranteed to tickle your funny bone. Plus, keep those laughs fuelled with a fully stocked bar and delicious street food available. We'll be running a raffle with some amazing prizes, so buy a strip of tickets on the night and wear your lucky socks!

It's the ultimate recipe for a night of fun and laughter while raising much-needed funds for the school.

# Turing House Friends Notices

We have a packed few weeks coming up, with lots of opportunities to raise funds for the school – but we can only do it with your support!

#### 18th March - Online THF Meeting & AGM

Join us at 7pm for our online meeting and AGM to hear about the ways we support the school. We're also looking for new committee members, so if you'd like to get involved, we'd love to hear from you: thf@turinghouseschool.org.uk

We'll circulate the Teams link before the event.

#### School Show – Bugsy Bar

We'll be running a bar over three nights during the school show, so make sure to stop by for a drink and help raise funds for the school.

#### 30th March - Second-Hand Uniform Sale

Come along to school and grab yourself a bargain at our second-hand uniform sale. A great way to stock up while supporting THF!

It's easy to think in a big secondary school that \*someone else\* will do the jobs, but the reality is it's actually harder to find volunteers and customers than at primary school—turns out teenagers aren't quite as keen to drag their parents to events! So if you can spare an hour or two, please join our THF Supporters WhatsApp group and help make these events happen. And most importantly—please come along and support events like the Comedy Night.

Hope to see you soon.

# King's Trust Group

Before half term the King's Trust group were chosen to take part in a workshop with Apple. They travelled to Waterloo to the King's Trust centre to take part in the workshop on developing their own app. It included designing their own logo and pages for the app and some basic coding. 'It was an interesting experience, and I learnt new things.' Leo - Yr10.

#### Easter Residentials at Oxford University

Oriel College is delighted to announce 4 one-night residentials taking place during the school Easter holiday. These are designed for Year 12 students from UK state schools who are considering applying to competitive universities and aim to provide an insight into what life and study is like at an Oxford college. This year, the Study Days will be Law (13-14 April); Philosophy, Politics, and Economics (14-15 April); Women\* in Maths and Computer Science (15-16 April); Women\* in Chemistry and Biochemistry (16-17 April).

\* for the two Women in STEM residentials, Oriel welcome applications only from students who identify as a woman or as non-binary.

On the first day of each residential, students will arrive at Oriel College in the afternoon, enjoying activities led by Student Ambassadors and the Oriel College Outreach Officer. The second day will consist of various academic taster activities led by university academics and outreach professionals, to provide more insight into the courses on offer at the university. All expenses (accommodation at Oriel, meals, and activities) are funded thanks to the generosity of an Oxford alumnus. Reasonable travel costs to Oxford to attend a Study Day will also be reimbursed.

More details about selection criteria can be found on our webpage here, along with the application forms for each of the four courses: https://www.oriel.ox.ac.uk/study-with-us/outreach-and-schools-liaison/what-we-do/events-and-prizes/easter-residential-programmes-for-year-12-students/. The deadline to sign up for all of this year's Study Days is 11:45pm on Sunday 16<sup>th</sup> March. For any further questions please don't hesitate to get in touch.

# **University Offers Update**

Well done to the Year 13s who continue to receive their university offers. We are now up to 264 offers that have been made across the year group - we are so proud of you all! A special congratulations to **Lola V-W** who has received **three unconditional offers** from Kingston University.

# **Sports Update**

#### Year 8 Girls Football v St Catherines

The Year 8 girls took to the football pitch once again this week when they took on St Catherine's from Twickenham. Playing at home, the Turing team held the visitors to a goalless first half which continued into the second part of the game, through some solid defending that didn't let up for a second. Their efforts

up front were met, however, with a well-matched defence too as the girls also searched for an opening goal of their own. Both teams pushed hard knowing that whoever was to score first was likely to take the win at that stage with the final whistle looming. One or two well-worked chances went begging and so a decisive winner was not to be as the game finished 0-0. Well done to all involved!

# Year 9 Boys Rugby 7s Tournament

A team of Year 9 boys attended a rugby 7s tournament hosted by Orleans Park this week. With the boys growing in enthusiasm for rugby matches throughout the year, the Turing team got stuck in against Windsor Boys, Richmond upon Thames and Fulham Boys. A tough pool meant that they had a battle on their hands, but they dug deep and settled in. THS then played Teddington and Isleworth and Syon in the bowl competition with two other hotly contested encounters. The boys couldn't quite hold onto the early lead they'd created in both games, but they had nothing left to give by the final whistle. The Year 7 and 8 7s tournament was due to take place last week but was postponed due to the weather and hopefully we will be able to attend when the rescheduled date is known. Read on to find out how the U18 team got on at the same tournament. Well done to all involved!

#### Year 7 Basketball v Wimbledon College

As the Year 7 boys progress through their Junior NBA basketball league, they face more teams who bring more challenges. This week's challenge came in the form of Wimbledon College who travelled to THS which allowed the Turing team to get a lengthy warm-up in before tip-off. Preparation from the boys was evident as they settled into the match and concentrated on their accuracy around the key. The game was aways hanging in the balance as both sides were evenly matched, but the final quarter saw THS run away with enough of a lead, backed up by a stellar defensive display, to take a 45-35 win. Well done to all involved!

#### Year 8 Boys Football v Richmond upon Thames

The Year 8 boys took on Richmond upon Thames earlier in the week in a football fixture. A slight re-jig among the positions upfront meant that a hattrick gave the Turing team a comfortable lead in a match they never looked like not winning. The opposing team did manage to spoil part of the party by ensuring a THS clean sheet wasn't on the cards. However, another well-worked goal to the boys in blue was enough for a deserving 4-1 win and they could come away feeling proud of the effort they displayed. Well done to all involved!

#### **Sixth Form Boys Rugby 7s Tournament**

The Sixth Form boys and some Year 11 students took part in the annual rugby 7s tournament at Orleans Park this week. Playing in a round robin format against Windsor Boys, Orleans Park, Wilson High and Grey Court, the Turing team were excited to display their sunshine-induced running rugby and they did exactly that from minute one, putting up some big scores at full time. The boys went four wins from four games to take first place at the tournament! Their skills and fitness levels were impressive on the day, having been tested by playing almost all of their games with no rest, but they also played the whole tournament with just one substitute. The speed and the endurance of this team knows no end (their words!). Well done to all involved!

#### Year 7 Boys Rugby v Orleans Park

The Year 7 boys feel like they have been waiting an age to get their rugby fixtures underway in the borough league, but it finally kicked off this week when they travelled to Orleans Park to play them in a 12-aside game. The Turing team took an early lead

showing promising signs of pace and power. However, the opposition made a comeback in the second half of this high scoring match. It stood at 7 tries apiece with just 5 minutes to go, but the boys refused to allow themselves to fall behind for the first time in the game. Continuing to expose gaps right up until the final whistle, THS scored two more tries to ensure they took home the victory in a thrilling encounter. They now wait for a confirmed date to play Christ's School in their next fixture. Well done to all involved!

#### Year 10 Boys Football v Whitgift School

The Year 10 boys waited a while for this fixture, but they finally got to play their football match against Whitgift School in the Surrey Cup. This was the fourth round in this straight knockout tournament with THS playing at home. These two sides met last year in the same competition which resulted in the Turing team losing by a considerable margin. On this encounter, THS worked hard to stay in the fight as the match was 1-1 and heading towards extra time to determine a winner. The boys were excellent and had most of the possession, but it was the away side who edged their way into the next round with a late goal that saw the game finish 2-1. Well done to all involved!

# Stage Combat Easter Workshop

# **Script Writing Course**

This course is for anyone aged **16-21**.

The cost of the course is £300.

Dates: 10th April - 15th April

Full course handbook and booking available via our website: <u>www.rosetheatre.org</u>

Any further questions or to enquire about our bursary scheme and sibling discounts, please contact participate@rosetheatre.org.

#### Calling all aspiring writers!

We are running an exciting new Scriptwriting Course this Spring, during the Easter holidays! Run by RYC alumni and playwright Nicole Burley, participants will learn approaches to scriptwriting, leading up to a showcase at the end of the week where professional directors and actors will perform the writers' project in the form of a rehearsed reading.

Dates: **Thursday 10<sup>th</sup> April** - **Tuesday 15<sup>th</sup> April** (personal writing from home day on Sunday 13<sup>th</sup> April).

Hours: **9.30am - 4.30pm** each day, with additional hours on Tuesday for the evening showcase.

Full course handbook and booking available via our website: **CLICK HERE** 

Any further questions or to enquire about our bursary scheme and sibling discounts, please email participate@rosetheatre.org
